With growing numbers of rock climbing establishments in the Krabi area, what makes CLIFFS MAN different? Climbing shops at Railay have continued to work to provide a high standard and safe climbing practices for the benefit of all tourists.

CLIFFS MAN contribute by:

-  **Our history:** some of our guides have been climbing the spectacular Krabi rock faces for over 10 years and are among some of the first ever Thai climbers in the area.

Visit the shop for a large display of awards and trophies. Our instructors make up a large proportion of the country's best climbers, including Thailand's most successful woman climber, Jane. We actively encourage our guides to train and compete and we also provide sponsorship for both National and International climbing competitions.
